REFERENCE:

The Board invites attention to its Ref. No.15-K3/43 (CS), dated 17-2-1944 in which proposals were sent to Government for notifying the rationed articles in respect of the Bellary municipality. It was then submitted that rationing might be commenced from 5-3-1944 with rice alone as the rationed article since the Collector had not built up buffer stocks of Cholam. The Government were pleased to approve the Board's proposals in the G.O. quoted above and rationing of rice is working since 5-3-1944. The Rationing Officer, Bellary, now reports that there is a stock of Sajja available for use in the rationed area. Since the Collector has not been able to build up stocks of Cholam, the Board
Reque

requests that Sajja may also be included as one of the rationed articles and the appended notification approved and published in the next issue of the Fort St. George Gazette.

2. The Board also requests Government that $\frac{1}{2}$ a local measure may be fixed as the scale of rations per adult per day in the case of Sajja in Bellary municipality and its suburban areas.

2. In G.O. 298 sev of 22.1.44 the
Govt. approved the proposal of the Bd that
rice & cholan might be rationed in Bellary
municipalities and its suburban areas.

Consequently these 2 articles have been
specified as rationed articles in respect
these areas. ~~For the same reason~~

Attention is invited in this connection to the
ref^{ce} from the Bd at p/h 3-4 and the notes at
p 12 of (K). The Bd now reports ^{that} since the Coll^r,
has not been able to build up stock of Cholam and
as there is enough of "Sajja" available, Sajja may
also be included as the rationed article. It is
presumed that people are accustomed to use
Sajja and that as and when ^{buffer stocks for} Cholam are
built up it will also be distributed. For
orders wh^{ch} ^{the Bd's proposal} ~~that~~ will be accepted.

3. The Bd's proposal that $\frac{1}{2}$ a local
~~new~~ measure may be adopted as adult
ration per day in the case of Sajja may perhaps

be accepted. For orders

4 The Bd has not subd any notice under the Madras Rationing Order fixing a rationing date in respect of 'sajja'. It would seem necessary to have one published in the Gaz ^(in respect of sajja) fixing 30th of April as the Rationing date for orders.

Subject to orders a draft order is subd below for approval. It may be sent to Legal for favour of scrutiny.
